BANNER

"HIS BANNER OVER US
IS LOVE"

Fayette/Christian
Academy
Fayette, Ohio

The Significance Of A Banner

The Psalmist says in Psalm 20 and verse 5 "We will rejoice in thy salvation, and in the name of our God we will set up our banners . . ." These banners described by the Psalmist were used as a big part of military equipage, borne in times of war to assemble, direct, distinguish, and encourage the troops. Banners were used for other purposes as well.

It is interesting to note that these banners were specifically set up in the name of the Lord. It appears that David is saying - if we must wage a war, we had better do it in the name of our God; we must make sure our cause is acceptable in His sight, and make His glory our end in every expedition; we will ask counsel at His mouth, and take Him along with us; we will follow His will, implore His aid, and depend completely upon Him. As we do this we will then be able to set up our banners of victory through His name! When we lift up our banners in triumph, and set up our trophies, it shall be "in the name of our God." He shall have all of the glory of our success - for He alone is worthy.

We can clearly see that the "banner" represented at least four things to the Psalmist - 1. Identification, 2. Direction, 3. Encouragement, and 4. Victory. We at Fayette Christian Academy are interested in waving the same banners. Let's just see how they might fit us here . . .

1. The Banner of Identification. Fayette Christian Academy is not ashamed of its identity. We are a CHRISTIAN school. We want our atmosphere, academic materials, and all of our activities to honor Jesus Christ. We have a Christ honoring staff. We desire and pray that every student at F.C.A. will not only know Christ as Saviour but learn to love Him more and serve Him better.

2. The Banner of Direction. Just as the banner clearly pointed the way for the soldiers in David's army we desire that the Word of God point the way for us here at F.C.A. The Bible is our main text book. We contend that clear direction can be found in the Word of God to safely lead one through every experience of life.

3. The Banner of Encouragement is also important to the child of God as we face the various storms and battles of life. God is so faithful and good to us. He has promised to cover us with the banner of His love. This covering brings comfort and encouragement. The promises of God are found engraved on the banner of encouragement and can be clearly read with the eyes of faith.

4. The Banner of Victory is indescribably rewarding. As we open our hearts to Jesus Christ as Saviour, yield our lives to His Lordship, and follow carefully the directions given in His Word, we will not only be encouraged along the way - we will possess and enjoy real and lasting VICTORY! The banner of victory need never be taken from the throne of our heart if we faithfully live under the other banners provided "in His name . . ." We are not only promised victory in this life but eternal victory in the life to come.

I trust as you enjoy looking through the pages of our "BANNER" that you will think of the significance of "HIS" banners.

Dr. Samuel E. Wickard, Pastor/Administrator

DEDICATION

The yearbook staff is honored to dedicate the first edition of our annual, The Banner, to a "young" man who is highly worthy of our recognition. Not only is he interested in "training up young people in the way they should go" but he loves every one of us. He has a deep desire to see more youth won for Christ, and he wants us to be motivated by that same desire.

Bro. Wickard, who has pastored in Fayette at different intervals, was the man who was led of the Lord to open Fayette Christian Academy almost five years ago. The students of FCA know that he will always be available when they need counseling or prayer.

We consider it a great privilege to dedicate this yearbook to Rev. Samuel Wickard.

FCA LAID THE FOUNDATION FOR THE FUTURE

In the Spring of 1981, God burdened my heart and directed me to expand the ministry of the Fayette Wesleyan Missionary Church by starting a Christian day school. I shared the burden with our church board and membership - their response was unanimously expressed in the affirmative. Almost \$2,000.00 was raised during a Sunday evening service to begin the school ministry. In a few days Mrs. Wickard and I were on our way to the A.C.E. headquarters in Lewisville, Texas. We successfully survived a busy week of concentrated training regarding the opening and operation of a Christian school using the A.C.E. program of study.

When we arrived back home, the schedule for several days from daybreak until midnight was WORK, WORK, and more WORK. God with the assistance of some dedicated laborers wonderfully helped us, and we were ready to open our new church ministry - namely, Fayette Christian Academy, offering grades K through 12. Thirty-two students and four staff members graced our learning center our first year.

The hand of God has been upon this vine of His own planting, and we are now in our fourth year of operation. We have a fine student body, cooperating parents, and a quality staff. This has been one of the most exciting years of all my ministry!

Among the many exciting activities this year was our first attempt to produce our own school yearbook. Mr. Edwards spearheaded this challenging project for us. I want to thank Mr. Edwards and yearbook staff members for a job well done!

I know you will enjoy perusing the pages of this book. As you do, I have a special request to make - please pray for the ministry of Fayette Christian Academy.

Mr. Samuel E. Wickard

The senior trip this year to sunny(?) Florida was rain-drenched, but fun-filled

They enjoyed viewing St. Augustine's "Ripley's Believe It Or Not", and touring the town with water around our ankles

Other highlights were the sights and sounds of Daytona Beach, Kennedy Space Center, Marineland and Georgia's Stone Mountain

At Hobe Sound Bible College they met a lot of new friends and reminisced with some old ones

DEVOTIONS AT FCA

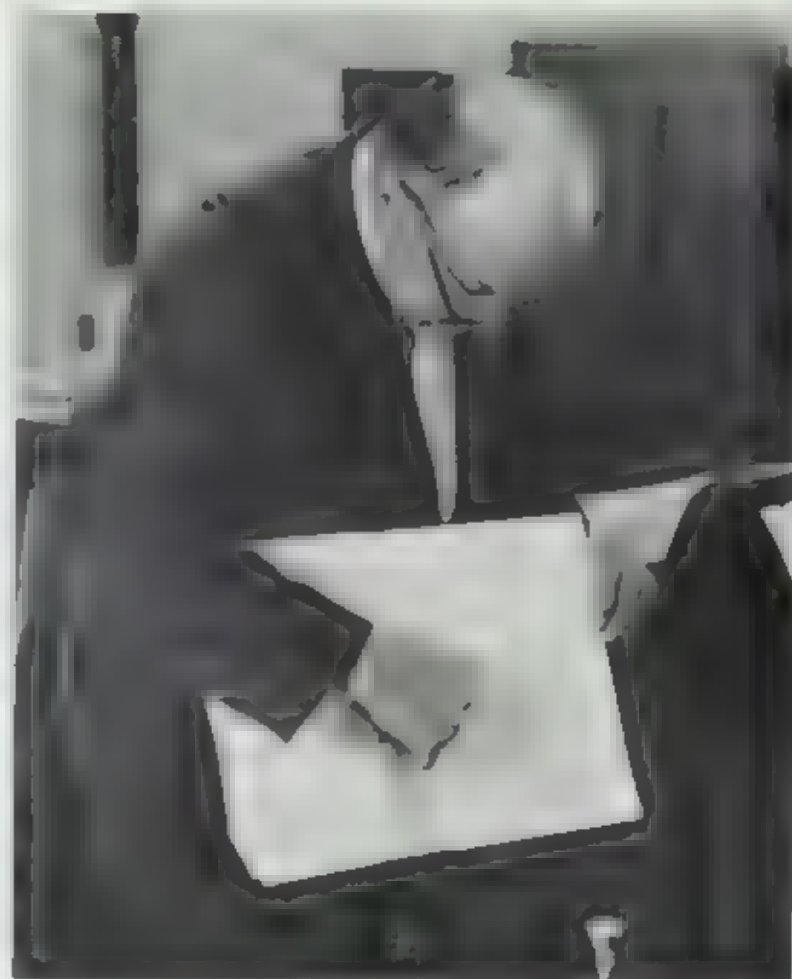

As a part of our chapel services in school this year, several people spoke to the student body. Rev. Rex Bullock was our fall revival evangelist. Rev. Richard Hurles was also a guest preacher. A group from the Hobe Sound Bible College, with Bro. Paul Pierpoint, gave a skit about Noah's Ark. Bro. Dan Whisner was the Fall Rally speaker. Bro. Glenn Wickard, Dr. Wickard's father, preached to us about Jesus, the Light of the world. Bro. and Sis. Bill Edwards, missionaries to the American Indians, visited us in April. We heard some very positive messages and we appreciate these gracious people coming to our school.

This school year we started a new project, that is, band

Bro. Joe Draggoo, our director, came in twice a week for practice. Thursday morning he directed the Beginners and the Intermediates. Friday morning the Senior band

All the band members are truly grateful to Bro Draggoo for taking time out of his busy schedule to direct the bands.

Everyone at F C A was excited as they came to school December 21, 1984. What was the object of their anticipation? The Christmas Party! First, we had devotions during which we were favored with a mixed quartet singing "The Birthday of the King" and some carols by the various bands. After that, the elementary pupils entertained themselves by playing "Rueben and Rachel" and "Wink-um". The high school students played "Musical Chairs" and "Honey, If you Love Me". Then we all opened our presents. You can see Terry looks pleased with his gift! The last thing on the agenda was feasting on "Sloppy Joes", punch, several types of cookies, cakes, and candies. Overall, that Friday was enjoyed by all.

FIELD TRIPS-FACTS

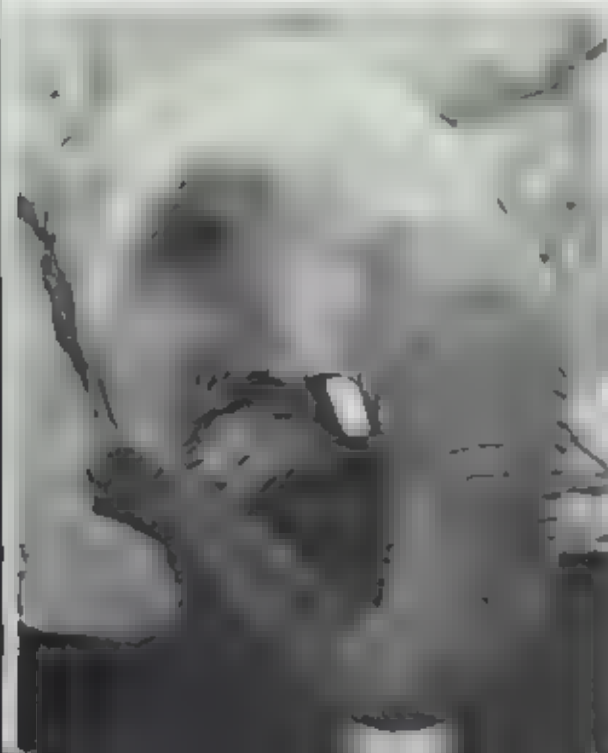

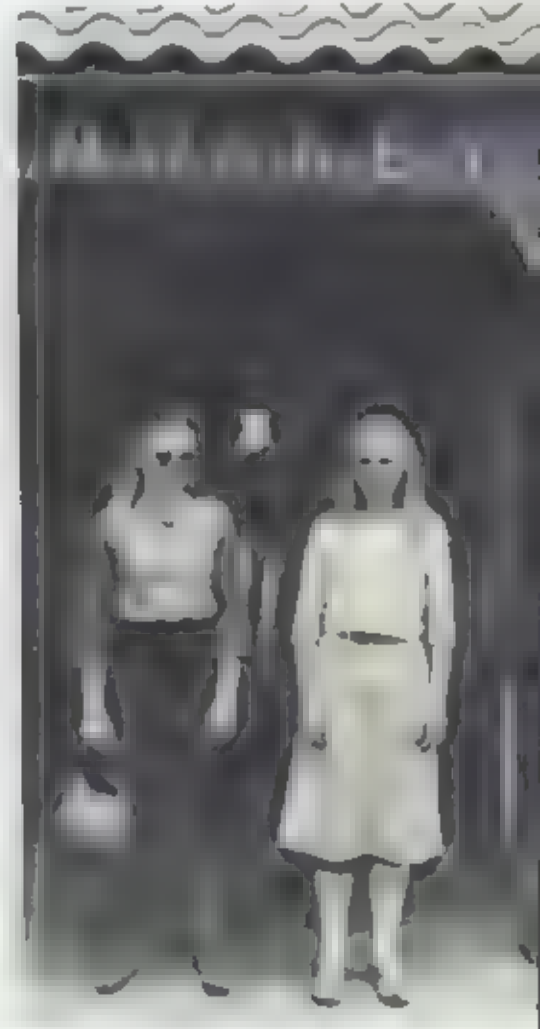

FUN, FOOD, FATIGUE

FCA students and staff enjoyed three field trips this year. The first place we visited was the Christian radio station WPOS-FM, in Holland, Ohio. Secondly, we toured Ohio Art, a toy factory in Bryan, Ohio, after which we feasted on Big Macs and French Fries at McDonalds. Last, but not least, we journeyed to Toledo Zoo, and spent the day walking our feet off.

Everyone now feels more educated and wiser as a result of our informative excursions.

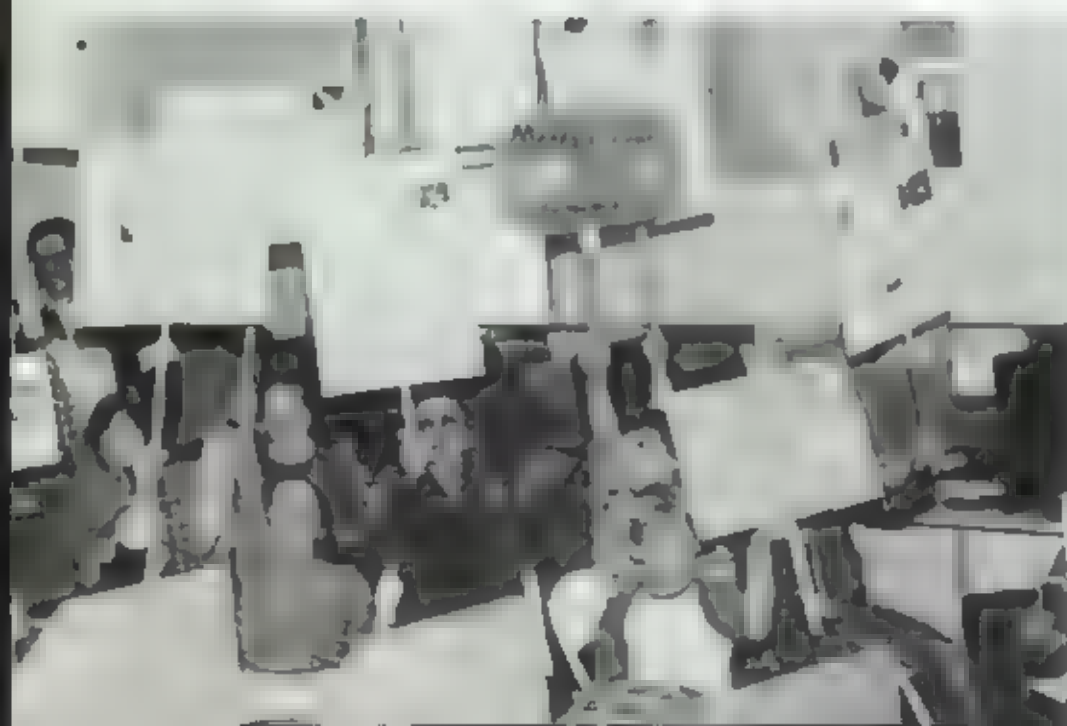

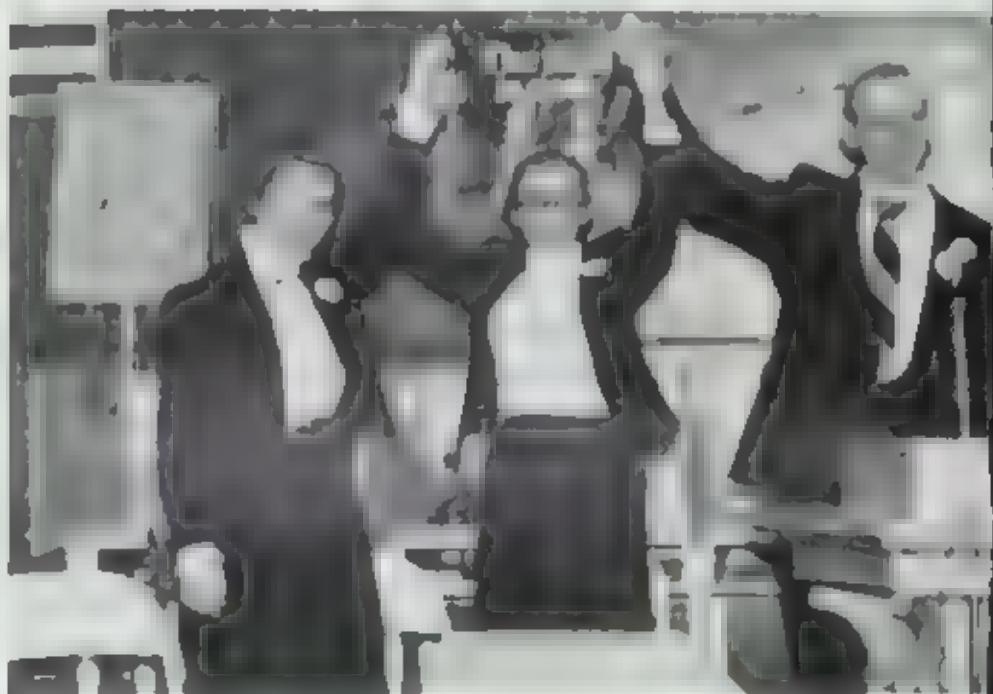

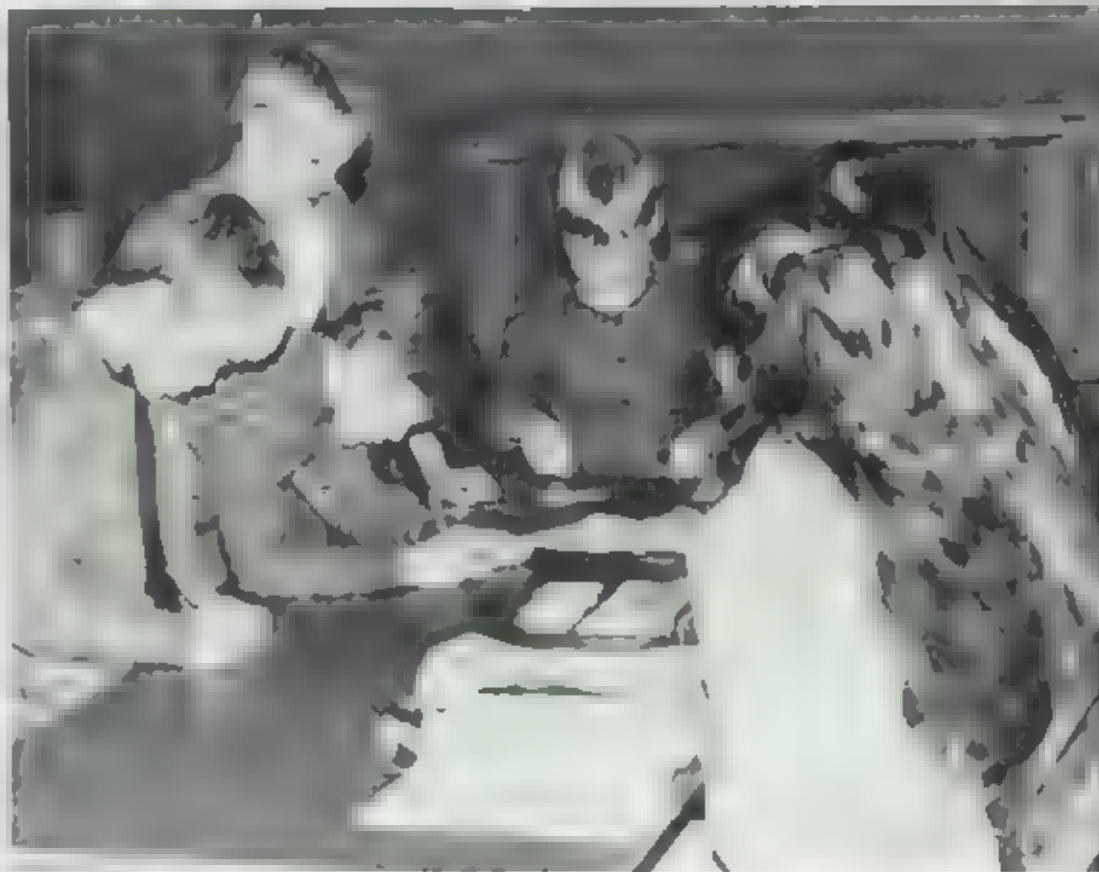

FCA Elects Reagan

In November, when everyone in the country was voting for the President, we, the students and staff of FCA, had a mock election. Geraldine Ferraro was portrayed by Cathy Edwards, Walter Mondale by Perry Titus, George Bush by Bill Streets, and President Reagan by Bruce Siegal. All of the candidates gave campaign speeches and both parties were protected by Secret Servicemen. The Republican Chairman was Jeff Stewart, and the Democratic Chairperson was Deanna Wardlaw.

Students were required to register to vote and assisting them were Connie Siegal, Lydia Myers, and Kathie Montague.

When the last ballots were tallied, the outcome was overwhelming: Reagan and Bush - 41, Mondale and Ferraro - 6, and one vote had to be disregarded. Some one decided to elect Reagan and Ferraro!

THE THREE HIGHLIGHTS

The three biggest highlights of the day are—you guessed it—break time! This is one area that all excel

Break time means a lot of things: figuring out whose serve it is in ping-pong, being creative as in studying the pieces of a puzzle, or exercising strenuously. Last, but not least, is fifteen minutes of pure relaxation!

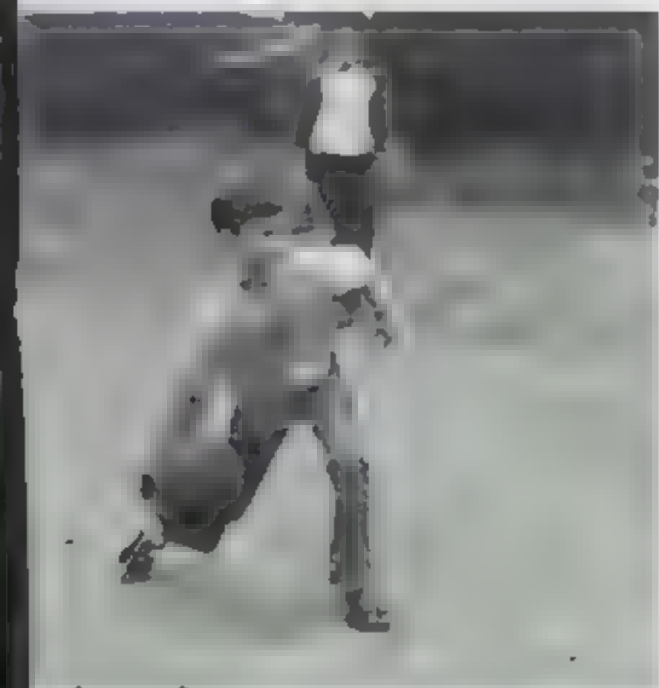

The students, getting back to work, wait “patiently” for the next break

Many times this year the junior high and high school students participated in the exciting course called Physical Education. In nice weather we played softball at a small park around the corner from the school. In the winter the Zone School principal, Mr. Winzier, was very gracious in allowing us to use their gym where we played basketball. Some days were good and some days didn't go quite so well. If you take a close look at these pictures you might conclude that not all of us girls would make star basketball players if given the chance. But we enjoyed ourselves, and we have all lived to tell of our experiences!

It is a known fact that every young person has a storehouse of energy just waiting to be released

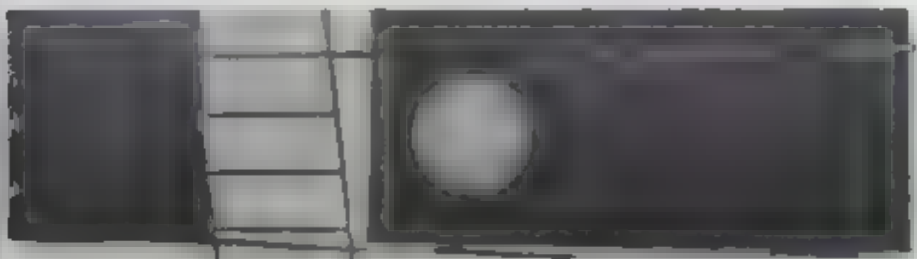

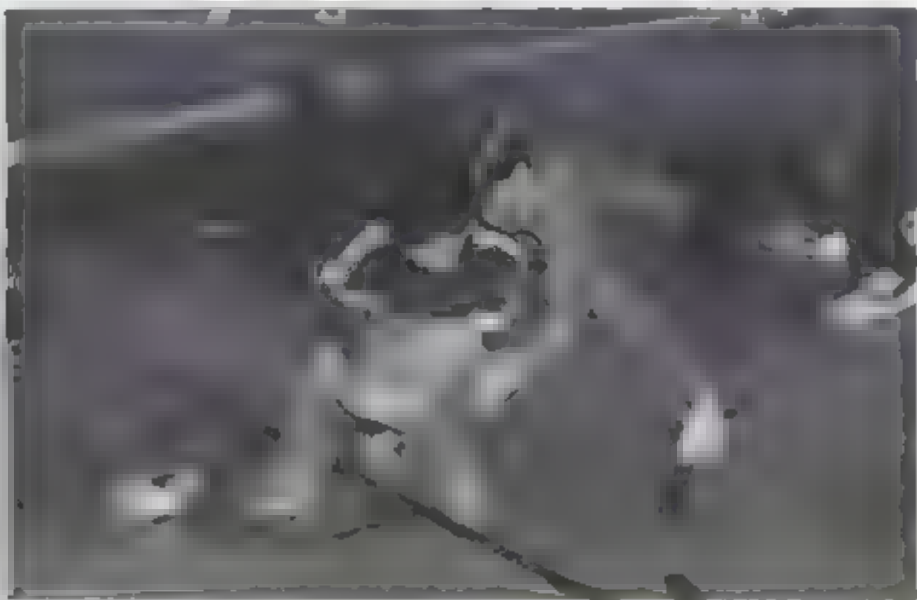

In the boys' physical education class, this current of energy is very evident

Once a week the junior high and high school students had the privilege of playing basketball at Zone

During the nice weather we had some exciting softball games at the public park
